Let's find out together

SUPER: “Deposit Protection Cup” Challenge

Narrator: Welcome to Episode 2 of the Deposit Protection Cup Challenge
Without further ado
Let's begin

George: Go Go Go

Narrator: George needs to shoot baskets to answer questions
The answers will be displayed on different basketball hoops
Shooting into a hoop with the wrong answer
or failing to make a basket
will result in a penalty
George, any questions?

George: Crystal clear

Narrator: Let's start with a warm-up question
What is the current deposit protection limit?

George: I can handle this
It is HK\$800,000

SUPER: Just grazing the rim

George: Why am I always just a little short?

Narrator: Never mind
You still have another chance
But first, a penalty before your next shot

George: What is the penalty?

Narrator: Do ten duck hops on the acupressure track

George: Alright

Narrator: One!

George: Impressive

Narrator: Nine more to go

Narrator: Two!

George: Really?

Narrator: Do you need a break after every one?

SUPER: Caught out

George: No
It hurts

SUPER: Hang in there

Narrator: Finally
Don't you feel refreshed now?

George: I do

Narrator: Let's move on to the next question

Which eligible deposits are protected by the Deposit Protection Scheme?

George: I know it

Deposits in company accounts

savings accounts

and joint accounts are protected

Narrator: Impressive

There are three hoops with the answers

You only need to score in one to pass this round

But you have to shoot after turning around

George: So it is a turn-around three-pointer

SUPER: Successful shot

Sharp-shooter

George: That was amazing

Narrator: The next question will be more difficult

George: Bring it on

Narrator: Which currencies of eligible deposits are protected

by the Deposit Protection Scheme?

George: Hong Kong dollars

Renminbi and foreign currencies are all protected

Narrator: Great, that is correct

Catch the ball!

This time, it is not a shooting test

It is a dunking test

You have to complete three runs back and forth

with dunks within the time limit

Get ready, start

Two-handed dunk, nice skills

Run back straight away

do a crossover, then go again

One-handed dunk, another one

Final countdown

Three, two, one

OK!

The next question is even more challenging

Which products are not protected by the Deposit Protection Scheme?

George: Stocks and bonds
insurance products
and structured deposits
are not protected

Narrator: Excellent
You only need to shoot into one of the hoops
with the correct answers to pass
But you will not be shooting while standing
You will be shooting while seated

George: So I have to take a seat

Narrator: Which hoop do you want to aim for?

George: I want to shoot for insurance products

SUPER: Grazing the rim again
Missed by a small margin again

Narrator: Just missed by a little again
Now you get to try another light challenge

George: Really?

Narrator: Yes, just lift dumbbells on the acupressure track
Easy

George: Easy

Narrator: Come on! I will count to ten for you
Alright, get ready

George: OK

Narrator: Ready..... One.....

SUPER: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Narrator: OK
Do you feel refreshed now?

George: Yes
You should try it

Narrator: You are completely refreshed

George: Next question
I will definitely make the basket

SUPER: Full of confidence

Narrator: This is the final question
What are the key features of the Deposit Protection Scheme?

George: Easy
All of the above
Fade away

Narrator: Wait a minute

This time it is not that simple
 There is a super hoop
 George: That sounds amazing
 Where is it?
 Narrator: Please bring out the super hoop
 George: The hoop can move
 Narrator: Of course
 The ultimate challenge has to be more difficult
 George, go for it
 Go for it, George
 Make the basket, George
 SUPER: Sharp-shooter makes the basket with ease
 George: Deposit Protection Cup
 Deposit Protection Cup
 Deposit Protection Cup
 Narrator: Congratulations
 SUPER: George successfully lifts the trophy
 Narrator: Congratulations, George
 Is there anything you would like to share with our audience?
 George: First of all, I would like to thank the Guardian of Deposits Ah Po
 for giving me the opportunity to take part in this challenge
 Not only did I have a great time.....
 I can now tell all my relatives about it too.....
 Narrator: Do you have anything more meaningful to share?
 George: Of course

As one of the young idols

I hope you will follow my lead in building good financial habits

Save more money for a rainy day

plan ahead, and prepare for your future

and with the Deposit Protection Scheme protecting our bank deposits

we can save with peace of mind and confidence
